H-1B SPONSORSHIP BENCHMARKS

Top 50 US Employers Legally Sponsoring Foreign Talent

Stop wasting hundreds of applications on companies that don't sponsor.
Here are the verified employers.

5-Slide Master List • Swipe to Learn 👉

01 Tier 1: Tech & Cloud Giants

Highest volume of approvals, E-Verify certified, and green card sponsorship from Day 1:

Google, Microsoft & Amazon

Median Base Salaries: $165,000 – $240,000. 10,000+ approved petitions annually.

Apple, Meta & Nvidia

Median Base Salaries: $180,000 – $260,000. Top sponsors for AI, hardware, and systems engineers.

Salesforce & Oracle

Strong enterprise software H-1B transfer approval rates.

02 Tier 2: Cap-Exempt Healthcare & Research Hubs

Zero lottery risk, no April deadline, year-round H-1B approvals:

Mayo Clinic & Cleveland Clinic

Sponsors healthcare specialists, software engineers, and bio-data analysts with 0% lottery.

Memorial Sloan Kettering & Johns Hopkins

High-volume sponsorship with immediate permanent residency tracks.

St. Jude Research Hospital

100% cap-exempt institution with world-class researcher visas.

03 Tier 3: Quantitative Finance & FinTech

Uncapped compensation and dedicated immigration legal teams:

Goldman Sachs & JPMorgan Chase

Median Salaries: $150,000 – $210,000. Full support for STEM OPT and H-1B filings.

Citadel, Two Sigma & Hudson River Trading

Top sponsors for quant researchers, algorithms engineers, and data engineers.

Stripe & Bloomberg

Streamlined transfer process for foreign remote hires moving to the US.
